SUBJECT: [REDACTED] Report on his Mission to [REDACTED]

25X1A9a

1. Enclosed is one copy of [REDACTED] report on his mission to [REDACTED] during May 1952. He was very modest in describing the amount of assistance and advice given by him and by [REDACTED] in regard to NIS production problems. In actuality, a considerable amount of corrective effort in Washington was obviated because of the discussions of these two men with working level personnel in [REDACTED]
